**World class Infrastructure with Latest Machinery,**

**More than 25000 square feet of Warehouse**

Sunflower Floral Foam, a registered trade mark of M/s K.G Enterprises an ISO 9001:2015 certified company, founded by ANAND GOEL & NITIN GOEL as a small trading company in 1998. Over the years the company has grown and gradually got into manufacturing of Floral Foam in 2009.

Today Sunflower Floral Foam is the fastest growing floral foam brand in India. The manufacturing plant occupies more than 50,000 square feet of area and is capable of manufacturing more than 1.5 million cases/ annum.

With a state-of-the-art manufacturing facility equipped with the best machinery, we 100% guarantee for the quality of the product on all parameters. Being one of the most affordable floral foam available we promise to maintain "Best quality, Best Price" policy for our future growth prospects.

In Year 2020, The company expanded its base and got into Manufacturing, Importing and Trading of multiple floral accessories to make Sunflower a ONE-STOP-SOLUTION of multiple Floral Supplies. To support the availability and able to serve the florist nationwide, we developed a new warehouse of more than 25000 square feet which would be again expanded to about 75000 square feet by 2024.

Today We are representing some of the most premium brands in the floral industry from across the globe for their Indian market. With Distribution network across the length & breadth of the country and strong logistic infrastructure, we ensure our product is available in the remotest part of the country.
